**Pawsitive Alliance to Host the Adoption Bullpen at
Seattle Mariners' 2024 Bark at the Parks**

Bellevue, WA, March 27, 2024

Pawsitive Alliance is pleased to once again organize and host the Adoption Bullpen at T-Mobile Park this baseball season in partnership with the Seattle Mariners. There are six Bark at the Park dog-friendly baseball games scheduled this season where adorable, adoptable dogs who are looking for their forever homes will get to meet the fans on Concourse 300.

Adoption agencies from all over Washington will be invited to bring adoptable dogs to the six planned Bark at the Parks. Each event will feature up to 20 dogs of all ages, shapes, and sizes: from puppies to seniors. Come to the ballpark to watch the Mariner's play on one of these dates and potentially meet your new best friend*.
